Insurance

The Gollaher Ranch has arranged for Western States Insurance Agency to make available Mortality/Loss of Use Coverage for Gollaher Ranch bulls sold in the April 2, 2012 sale.

The Value of the bull is considered to be the Purchase Price as listed on the Date of Sale.

We will reimburse as follows:

- **Full Mortality:** 100% of the Value of the bull(s) in the event of death or life-threatening injury;
- **Loss of Use: 80%** of the Value of the bull(s) in the event of Loss of Use from Accident, Injury, or Disease from an identifiable cause;
- **Loss of Use: 25%** of the Value of the bull(s) in the event of Loss of Use from Accident, Injury, or Disease with no known cause;

The coverage provides traditional, full mortality for death from natural causes and accidental causes including life-threatening injuries. The coverage includes Loss of Use for claims made during the policy term.

The coverage is available on the Date of Sale for those who choose to insure their bull(s). The policy will insure the bull(s) **from the Date of Sale for a period of One Year.** All claims made to the Company require a Veterinarian's certified examination of the animal(s) for which the claim is made. Under the Loss of Use extension of coverage, the animal's inability to naturally service cows must be diagnosed by a Veterinarian, and immediately reported to the Company in writing. A Loss – as defined by the policy – shall occur if after the date of diagnosis and first report, the bull cannot breed due to accident, injury, illness, or disease. Loss of Use claims will be settled as above.

All this is an abbreviated summation of the actual policy terms and conditions. Please read the entire policy to know how coverage applies.

The cost of the coverage is 6% of the Purchase Price for Mortality with Loss of Use. That amount will be added to the cost of your bull(s) at settlement on the Date of Sale if this insurance is purchased. The sponsoring ranch is paying the other half of the premium to encourage the buyer to purchase the insurance policy.

Salvage value – if any – belongs to the OWNER of the bull.

Welcome to our 33rd Annual Gollaher Ranch Bull Sale

Welcome to our 33rd annual bull sale. Thank you for looking over our catalog and sale offering.

The bulls are sired by some of the leading AI sires in the industry and our herd bulls. They are a nice set of bulls with 90% suitable for heifer use. With the body length, depth, muscling and eye appeal, we feel as the bulls mature they will be great cow bulls as well. An added nice return on your original investment.

Two years in the planning, a lot of thought and mating calculations took place to select the sires for this calf crop. Mother nature added a tough winter last year to be born in, as well as a long wet spring and hot dry summer as her part of the equation. We are thankful the bulls have done as well as they have. They are ready to go to work this spring.

Mike and Ted have done an great job in selecting our breeding bulls and AI sires for the 2012 breeding season. We continue to build our herd around performance, a good mother cow base. There is a premium for good cattle, and the markets are bearing that again this year. Good momma cows make for profitable progeny. Good sires optimize the profits. We pride ourselves in offering some of the best performing bulls for dollars spent.

After reviewing the catalog if you have any questions please feel free to contact us. The complete individual bull data is also available under the Data search on the American Angus web page. This data is updated weekly. All data in the catalog is as of Feb 25. Final weights, scrotal measurement and scan data will be available sale day.

The bulls will be at the Sterling Cattle Feedlot, Vaughn, MT until March 30 and here at the ranch on March 31st .

Hope to see you on April 2nd.

-----The Gollahers

For dollars invested in bulls, we offer the best value you will find anywhere.

Thank you...

Thank you to all who make our sale possible. From you the buyers, to the trucker, the lunch help and cleaning crew we appreciate you all. For the professionals we hire to work with us on herd health, feeding, veterinary needs, and sale preparation we want to thank you. Without the help of our crew, family, friends and neighbors during, calving, branding, weighing and shipping we would never be able to pull off these sales. The crew at Sterling Cattle LLC is an integral part of our success due to their daily vigilance in feeding and caring for the bulls, thank you.

To the friends who give their time the weekend before the sale to help Mike & Ted clean, retag, and feed the bulls before the sale and then work sale day we owe you!

To our sale day crew on the auction block and the ring men we appreciate your efforts in running a smooth sale.

For the great photos of the bulls we thank John Goggins, and thank you to our auctioneer, Roger for always doing a great job.

To those of you who are joining us on sale day our heartfelt thanks for you support.
