Insurance

The Gollaher Ranch has arranged for PayneWest Insurance Agency. to make available Mortality/Loss of Use Coverage for Gollaher Ranch bulls sold in the April 1, 2013 sale.

The Value of the bull is considered to be the Purchase Price as listed on the Date of Sale.

We will reimburse as follows:

- **Full Mortality:** 100% of the Value of the bull(s) in the event of death or life-threatening injury;
- **Loss of Use: 80%** of the Value of the bull(s) in the event of Loss of Use from Accident, Injury, or Disease from an identifiable cause;
- **Loss of Use: 25%** of the Value of the bull(s) in the event of Loss of Use from Accident, Injury, or Disease with no known cause;

The coverage provides traditional, full mortality for death from natural causes and accidental causes including life-threatening injuries. The coverage includes Loss of Use for claims made during the policy term.

The coverage is available on the Date of Sale for those who choose to insure their bull(s). The policy will insure the bull(s) **from the Date of Sale for a period of One Year.** All claims made to the Company require a Veterinarian's certified examination of the animal(s) for which the claim is made. Under the Loss of Use extension of coverage, the animal's inability to naturally service cows must be diagnosed by a Veterinarian, and immediately reported to the Company in writing. A Loss – as defined by the policy – shall occur if after the date of diagnosis and first report, the bull cannot breed due to accident, injury, illness, or disease. Loss of Use claims will be settled as above.

All this is an abbreviated summation of the actual policy terms and conditions. Please read the entire policy to know how coverage applies.

The cost of the coverage is 6% of the Purchase Price for Mortality with Loss of Use. That amount will be added to the cost of your bull(s) at settlement on the Date of Sale if this insurance is purchased. The sponsoring ranch is paying the other half of the premium to encourage the buyer to purchase the insurance policy.

Salvage value – if any – belongs to the OWNER of the bull.

Welcome to the 34th Annual Gollaher Ranch Bull Sale

Thank you for looking over this years catalog. We have included some of the individual performance data in this catalog and you can find additional data on our web page, www.gollaherranch.com. There will be more data available as it is processed and on sale day for your use in selecting bulls.

The first six months of these bulls lives was one of enduring the worst droughts our area has seen in years. They weaned well, were healthy and hardy and have continued to be that way. Their feed conversion has been good and steady as we strive for a 3 to 3.5 lb. daily gain while on feed. The bulls have tested well and are ready to go to work for their new owners. If you have question please feel free to contact us at your convenience. Hope to see you sale day.

-----The Gollahers

For dollars invested in bulls, we offer the best value you will find anywhere.

Thank you...

Thank you to all who make our sale possible. From you the buyers, to the trucker, the lunch help and cleaning crew we appreciate you all. For the professionals we hire to work with us on herd health, feeding, veterinary needs, and sale preparation we want to thank you. Without the help of our crew, family, friends and neighbors during, calving, branding, weighing and shipping we would never be able to pull off these sales. The crew at Sterling Cattle LLC is an integral part of our success due to their daily vigilance in feeding and caring for the bulls, thank you.

To the friends who give their time the weekend before the sale to help Mike & Ted clean, retag, and feed the bulls before the sale and then work sale day we owe you!

To our sale day crew on the auction block and the ring men we appreciate your efforts in running a smooth sale.

For the great photos of the bulls we thank John Goggins, and thank you to our auctioneer, Roger for always doing a great job.

To those of you who are joining us on sale day our heartfelt thanks for you support.
